### *Guest Information Sheet*

Prospective members may visit a chapter twice before they must make a decision regarding applying for membership in the organization.

Membership in RXG is \$175.00 the first year and \$150 for each renewable year. In addition, local chapters may assess a nominal weekly or monthly fee for meeting room fees and chapter activities. You must be willing to commit to attending meetings regularly and to the concept of helping chapter members grow their business through referrals. You must also abide by our code of ethics.

We accept only one business specialty, per chapter, as a member. If a business owner or sales representative seeking membership with a chapter is affiliated with a business that is part of an industry already represented in the chapter, an effort will be made to locate another chapter where that specialty is not represented. Membership acceptance or placement is not guaranteed.

- ✓ RXG members may not hold membership in other network groups with similar structures.
- ✓ Individual members cannot be represented in more than one chapter.
- ✓ You must be committed to regular meeting attendance.
